Spanish Vowels

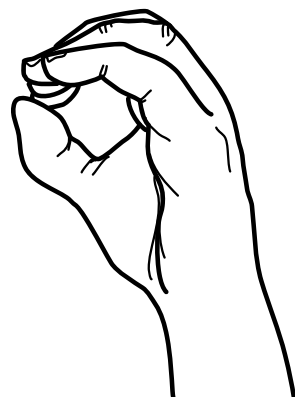

Did you know? In Spanish, every word has at least one vowel - they're the heart of the language!

Did you know? Both English and Spanish have 5 written vowels (A, E, I, O, U), but while these vowels can make up to 20 different sounds in English, in Spanish it's simple: 5 letters, 5 sounds!

Trace/write.

Practice signing each vowel (A, E, I, O, U) in ASL by following the hand signs below!

Now practice signing the vowels in ASL while you say them aloud in Spanish.

A E I O U
